MICHIGAN RACING COMMISSIONER—PARI-MUTUEL RULES

All Pari-Mutuels are run under the rules made and published by the MICHIGAN RACING COMMISSIONER, and according to these rules, all persons buying tickets thereon agree to be bound by said rules and decisions of the Stewards.

1. There will be NO exchange of tickets after purchaser has left sales window.
2. No minors will be allowed to wager.
3. When a race has been declared official by the stewards, wagers shall be paid in accordance therewith and any change in the result due to disqualification shall not affect the wagering, nor shall further payments or refunds of any kind be made.
4. Tickets altered or mutilated in any way will be void and worthless. Torn tickets, if properly identifiable, will be honored at the Mutuel Department information window.
5. Responsibility for cashing winning tickets and passing upon the validity of torn tickets rests with the racing association. The racing association shall not be responsible for cashing outstanding mutuel tickets after the expiration of sixty days after the completion of its race meet, thereafter, all claims for outstanding mutuel tickets shall be made to the Department of Treasury, Board of Escheats, Treasury Building, Lansing, Michigan 48922.
6. No winning tickets shall pay less than $2.20 on a wager of $2.00 and the minimum value of winning tickets of a higher denomination shall be in direct proportion thereto. No licensee shall use any part of the state tax or the state's share of the breakage to make up any minus pool.
7. Should there be any error in calculation where the public is underpaid, the amount of the underpay shall be added to the same pool on the next race. If such an error should result in the public being overpaid, the amount of the overpay will be chargeable against the funds of the racing association; (7a) If an error is made in posting the odds or the payoff figures on the public board, it shall be corrected promptly and only the correct amounts shall be used in the payoff; irrespective of the error that may have appeared on the public board. If because of mechanical failure it is impossible to promptly correct the posted payoff, a statement shall be made over the public address system stating the facts and corrections.
8. Payments will be made only on the first three horses passing the finish line, according to the official order of finish, except in the case of a dead heat for show in which case payments will be made on the first four horses.
9. If a horse be excused from racing for any reason whatsoever after the betting thereon has begun or becomes locked in the starting gate, the money bet on that horse shall be refunded, except that when the horse is part of an entry or the "field," there shall be no refund provided that the entry or the field as the case may be, has at least one actual starter.
10. "No other place or method of betting, pool making, wagering, or gaming shall be used or permitted by the holder of the license. The pari-mutuel system of wagering shall not be conducted on races except races at the racetrack where pari-mutuel system is conducted. Each holder of a race meeting license shall retain as his or her commission 17% of all money wagered. Except as provided in subsection (6), each holder of a race meeting license shall retain as his or her commission on all forms of multiple wagering, 20½% of all wagering. In each race meeting, the holder of the race meeting license shall divide the breaks equally with the state. Breaks shall be computed at all times at 10 cents and defined as the cents over any multiple of 10 otherwise payable to a patron on a wager of $1.00."
11. The Nitely Double is not a parlay and has no connection with or relation to the mutuel betting. All tickets on the Nitely Double will be calculated in an entirely SEPARATE POOL.
12. All Nitely Double tickets will be to WIN (straight) only.
13. If no ticket is sold combining the winners of the Nitely Double, the pool shall then be apportioned equally between those having tickets including the winner of the first half (or race) of the Nitely Double and those having tickets including the winner in the second half (or race) of the Nitely Double in the same manner in which a place pool is calculated and distributed.
14. Should any horse or horses not coupled with a starter be scratched or declared a non-starter in the second Nitely Double race after the first race has been declared official, all tickets combining the scratched horse with the winner of the first Nitely Double race shall become consolation tickets and shall be paid a price per dollar denomination determined as follows: The net Nitely Double pool (the gross Nitely Double pool less tax) shall be divided by the total purchase price of all tickets designating the winner of the first Nitely Double race and the quotient obtained shall constitute the price to be paid.

The total amount payable on consolation tickets shall be deducted from the net Nitely Double pool.

WELCOME TO JACKSON AT NORTHVILLE DOWNS!

Detroit's top stables and horsemen are on hand this evening as they will be every night to join with Jackson Trotting Association in welcoming you to our 1981 Jackson-at-Northville Downs racing season.

The very best and most exciting harness racing action available for your sports enjoyment and betting pleasure in the metropolitan Detroit and Windsor area will be presented Mondays through Saturdays through December 31 with a nightly post time at 8 p.m.

We hope you will come often to Jackson-at-Northville where you are sure of getting a full dollars' value for each American dollar in parking, admission, food and betting windows in our clean and friendly atmosphere.

In addition to the traditional daily double, this year we are offering the option of Perfecta wagering on *both* the first and second race. Each of the ten races nightly will feature Perfecta wagering except the third, sixth, and tenth which will have Trifecta betting. Of course you can wager straight win, place and show on any race and — remember — here at Jackson-at-Northville there is always advance wagering on all races every night for your convenience.

Jackson-at-Northville Downs is where the action is and the winners are! We are happy to welcome old friends back and greet our new ones as the season gets under way.

RULE 16. STARTING

(i) There shall be no recall after the word GO has been given and any horse, regardless of his position or an accident, shall be deemed a starter from the time he entered the Starter's control unless dismissed by the Starter.

(j) The Starter shall endeavor to get all horses away in position and on gait but no recall shall be had for a breaking horse except as provided in (k) (5).

(k) The Starter may sound a recall only for the following reasons:

(1) A horse scores ahead of the gait.
(2) There is interference.
(3) A horse has broken equipment.
(4) A horse falls before the word "GO" is given.
(5) Where a horse refuses to come to the gate or is off stride BEFORE the gate reaches the recall pole the field may be turned.

RULE 18. BREAKING

(a) When any horse or horses break from their gait in trotting, or pacing, their drivers shall at once, where clearance exists, take such horse to the outside and pull it to its gait.

(b) The following shall be considered violations of Section 11 (a):

(1) Failure to properly attempt to pull the horse to its gait.
(2) Failure to take to the outside where clearance exists.
(3) Failure to lose ground by the break.

(c) If there has been no failure on the part of the driver in complying with (b), (1), (2), and (3), the horse shall not be set back unless a contending horse on his gait is lapped on the hind quarter of the breaking horse at the finish.

(d) The judges may set any horse back one or more places if in their judgement any of the above violations have been committed, and the driver may be punished.

PARI-MUTUEL BETTING

First, you must realize that you are not betting against the track. The management, through the totalizer, acts as your agent and collects a percentage as fixed by Michigan State Law.

The odds and payoffs on the winning horse are made by the public only, and the management neither gains nor loses if you win or lose.

Your ticket and all other tickets, purchased on the horse that wins are actually a partnership betting against the other patrons who bought tickets on the other horses in the race. When the result is official, and you have a winning ticket, you, and all other patrons of the track holding winning tickets, collect your proportionate share of all money bet on that particular race.

When you bet to win — you collect if your horses finishes first.
When you bet to place — you collect if your horse finishes first, or second.
When you bet to show — you collect if your horse finishes first, second or third.
Do not destroy your tickets until the result is official on the tote board.
QUESTIONS will be answered at the Information Window.

DO NOT WAIT UNTIL THE LAST MINUTE
DO NOT LOSE OR DESTROY YOUR TICKET

PREVIOUS NIGHTS OUTSTANDING TICKETS WILL BE CASHED AT A DESIGNATED LOCATION ON THE MAIN BETTING LINE UNTIL 9:30 P.M.
